It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, students, and community representatives, the following are agreed-upon roles and responsibilities that we as partners will carry out to support students' success in school and in life.

**Student Pledge:** I agree to carry out the following responsibilities to the best of my ability:

- ~ Come to school ready to learn and work hard.

- ~ Communicate regularly with my parents and teachers about school experiences so that they can help me to be successful in school.
- ~ Limit my TV watching and, instead, study or read every day after school.
